Subject: DA inventory - Current Winston 7/18/97

As information, the attached will be sent to all SR's with DA located in their assignment. DM's need to ensure that an inventory is taken and that current Winston packaging is pulled and placed in DA returns on 7/18/97 ensuring that appropriate quantities are ordered for replacement of product placed in returns.

Should you have any questions, please advise.

Sincerely,
Bob Snow
